Testimonial

2016 Peugeot Car Clubs' National Peugeot Pageant

I was the chairman of the organising committee for the 2016 Peugeot Pageant which was held in Oberon over four days in April 2016. Participants came from the eastern states, South Australia and the ACT.

One of the local parks was a perfect venue for our car show. An abundance of scenic runs in the area, and plenty of things to see in Oberon and the wider area helped make planning our event an easy task.

The success of the event was due in a large part to the willing support the pageant organisers received from key members of the Oberon community. This support extended from the personal interest of Mayor Kathy Sajowitz, members of the Oberon Business and Tourism Association, and to the shop keepers and motel staff, who in particular provided a magnificent welcome to their visitors. The pageant organisers acknowledge and thank them all.

I have no hesitation in recommending Oberon for any weekend or longer event for up to about eighty people comfortably.

Vice President of the Peugeot Car Club of NSW Inc.
