Dear Terry and Kay,

On behalf of Prostate Cancer Foundation of Australia, I would like to thank you for another fantastic fundraising result through the Shannons Sydney Classic car Show held recently at Sydney MotorSport Park.

Congratulations to you both, the entire committee and all the volunteers and club members who work tirelessly through the year to produce such a successful public event.

Not only does it raise vital funds to support prostate cancer research, events like these help to raise much needed awareness in our community.

Thanks to your support since 2013, we have been able to invest towards saving lives and helping more men survive — delivering clinical breakthroughs, robotic surgery, next-gen medicines, and wider access to world-leading treatments.

Together we can achieve a great deal for men living with prostate cancer and improve health outcomes for future generations.

On behalf of the community we serve, thank you for your ongoing support.

Yours sincerely,

Professor Jeff Dunn AO
Chief Executive Officer
