# President's Report

Hi Folks,

Well what a year it's been but we've managed to make it to the end after a horrendous start and middle of the year losing Julie to a terrible illness. Let's hope that 2019 will be kinder to us all.

As I said in my report at the AGM, all our Committee have done an amazing job in stepping up to take on extra tasks following Julie's passing and again I extend my thanks to them all for an amazing job.

At last Saturday's CMC Volunteers 'Julie Williams' Family Picnic Day we had a wonderful group of people come together, some with their young families to enjoy time together and have some fun away from the usual meetings and agendas. The Campbell Hill Reserve in Guildford was a great venue with children's playground adjacent to the pavilion that we had booked. Our Spit Roast Man served up a tasty buffet of meats, salads, garlic bread and rolls, followed by delicious desserts.

It was a perfect way to end a very busy year. I took the opportunity to present some CMC President's Awards to folks who have worked extraordinarily well this year.

Kay De Luca who took on so many jobs to fill the gaps left by Julie. Be it the minutes taking, desktop publishing of these Preserves or the program for SSC. Kay took them all on and accomplished so many things extremely well. I also gave special awards to Phil and Sharon Williams who did their utmost to help Julie through those very tough last few months of her life. They were all presented with framed copies of an etching of Julie by our oft used craftsman of the pen (or pencil in this case) Brian Caldersmith. Many thanks Brian for your amazing efforts.

I recently attended a meeting of the Road Safety Advisory Council with the Minister for Roads, Melinda Pavey MP and a number of luminaries with expertise in the area. A presentation on the World first testing of motorcycle riders' protective gear. We were told that it is so respected around the World that many companies are seeking to bring their gear to NSW and have it tested so they can show the worth of their products. Also a presentation regarding parking area signage and speed limits. There are standards for such things but it seems that no one follows them.

It has been a difficult year for me as I try to handle the CVS regos in my slow coach computer methods. The numbers have climbed from just under 1,300 vehicles in January to just short of 2,500 as I write this. And yet we still hear of cars on HVS which should not be there. Hopefully they will be cleaned up soon as the RMS close in on such dubious use of the HVS scheme.

**Don't forget those Clubs that have CVS vehicles need to be Re-Affiliated with CMC prior to 31st December 2018, otherwise those vehicles won't be registered!!**

I take this opportunity to wish you one and all a Merry Christmas and a Happy New Year and trust that you have a safe holiday season as you travel far and wide visiting families and friends. Hope to see you at the General Meeting at Arena Club on Tuesday 29th January 2019.

Proudly Supporting

**Prostate Cancer  
Foundation of Australia**

Prostate cancer isn't one of the most talked about cancers in Australia. Yet this year, it will kill more men than most other cancers and many of those who live with it will be faced with devastating treatment side effects.

[Prostate Cancer Foundation of Australia](#) (PCFA), the peak national body for prostate cancer in Australia, is committed to promoting and funding world leading **research** into prostate cancer, implementing **awareness** and advocacy campaigns and **supporting** men affected by prostate cancer and their families.

**PCFA's goal is for prostate cancer to no longer be a killer, where side effects are minimal and where all men impacted by or at risk of prostate cancer are well informed and supported.**

The Council of Motor Clubs have been fundraising for Prostate Cancer Foundation of Australia for over five years and have donated \$55,000 during that time, all thanks to the efforts of our wonderful members and clubs.

CMC would like to thank Clive Heath from Cruise Express who donated a fabulous cruise for the Shannons raffle. Clive is shown here with Terry Thompson, presenting fundraising proceeds to Liz Wynn from Prostate Cancer Foundation of Australia. These funds are helping PCFA in changing the future for Australian men and the ones they love.

Earlier this year PCFA launched a new ground-breaking Australian nuclear medicine trial which is set to revolutionise the treatment of advanced prostate cancer in men where their cancer has spread and where other treatment options are no longer viable. This clinical trial has shown promising early results in patients and our researchers believe that if successful, this could be a game-changer in the treatment of advanced prostate cancer.

Such breakthroughs are only possible with the help of committed community supporters like yourselves and PCFA wish to thank CMC, the individual clubs and the sponsors for their incredible support. Together we can achieve a great deal for men living with prostate cancer and improve outcomes for future generations.

If you'd like more information about prostate cancer, or if you'd like to establish your own fundraising activities, please email Victoria at PCFA [victoria.milner@pcfa.org.au](mailto:victoria.milner@pcfa.org.au).

# AUSTRALIAN MOTOR HERITAGE FOUNDATION LIMITED

A.C.N. 615 709 254

## Guardians of our national motoring history

### Protecting the future of our past

Motor vehicles played a major role in the physical, economic and social development of Australia. The Foundation is dedicated to the protection of that heritage by –

- Recording and cataloguing the heritage and history of the use of motor vehicles for transportation and mobility;
- Collecting, preserving and exhibiting items of significance to this motoring heritage, for the benefit of the community;
- Establishing a viable resource centre for research and study into the impact and influence of motoring in Australia;
- Fostering public awareness and interest, by developing seminars, programs and publications to educate Australians in this heritage;
- Creating an educational resource for universities, TAFE colleges, schools, academics and historians; it will be the Australian nucleus for the automotive and advertising industries, journalists, preservationists and inventive entrepreneurs; and it will be the focal point for the 780 car clubs and a centre for community engagement;
- Connecting with and participating digitally with the many overseas foundations and heritage centres having similar objectives.

**The Company is established as a not-for-profit corporation, registered as a charity, whose purpose is to advance the culture and heritage of Australia's motoring history.**

## **GUIDELINES FOR CLUB COMMITTEE**

### **HAND-OVER & HOW TO DOWNLOAD MINUTES & MAGAZINES**

**These details should be kept with your Club Secretary or Public Officer and handed to the new Committee following your AGM or at a time immediately following any committee changes.**

The Committee of the CMC has identified some issues around club contact details, which are stored on our database, as being incorrect. This means some emails aren't getting to some of our clubs.

If you aren't getting emails from us it's possible that your details are incorrect OR your computer is treating our emails as SPAM. To overcome this, you need to check your **Junk Mail Folder** and if you find an email in there from us you will need **to right-click on the message**, then click on **Junk Email** and select **Add sender to safe senders list**, this should overcome the SPAM issue.

We are aware that at the time of the CMC affiliation renewal each year (31st December), your club's details may well be correct. However, your contact details and / or the details of your Executive Committee may change during the year for various reasons.

In order to assist your club with handover to a new committee, or Public Officer we offer a few suggestions below.

We sincerely hope that your kind assistance with this issue will alleviate some of the discrepancies, which appear each year in our records, and will allow us to keep you informed of important issues in a timely manner.

In order that RMS records for your club are kept up to date, the Council suggests that the details regarding any Executive Committee changes should also be advised to the Roads & Maritime Service as soon as possible. This service has been relocated from Grafton. Please call the RMS or visit their website for details. This is especially important if your club has vehicles on HVS. Failure to inform them may result in an application for registration being refused. You must also advise NSW Fair Trading **(13 32 20)** of your Public Officer and/or address changes.

**Guidelines Note: Affiliation Renewals are due on 31st December each year.**

As soon as possible following any changes, we would ask that you notify changes of the following to the CMC at [cmc.nsw.sec@gmail.com](mailto:cmc.nsw.sec@gmail.com)

#### **Executive Committee:**

President  
Vice President/Treasurer  
Secretary / Public Officer  
HCRS Registrar

#### **Contact Details:**

First point of contact i.e. one email address only, or postal address. Website address (if you have one). Email & phone contacts only, for one or two delegates who will attend CMC general meetings.

### **HOW TO DOWNLOAD MINUTES FROM THE WEBSITE**

Please note the minutes are not usually on the website until 14 days following a General Meeting.

**Instructions on how to download minutes from the website are as follows:**

Go to the Website: at [www.councilofmotorclubs.org.au](http://www.councilofmotorclubs.org.au)

Select: "**Document Centre**" then "**Minutes**"

#### **HOW TO DOWNLOAD THE MAGAZINE FROM THE WEBSITE**

Go to the Website: at [www.councilofmotorclubs.org.au](http://www.councilofmotorclubs.org.au)

## National Motoring Festival

Australian Historic Motoring Federation Inc.

Albury & Wodonga  
On the beautiful  
Murray River

Eat Drink Play  
SS&A

Saturday 28<sup>th</sup> March to Friday 3<sup>rd</sup> April 2020

Welcome to the most important date on my calendar – the week of Saturday 28th March to Friday 3rd April 2020.

If you have even a passing interest in veteran, vintage and historic motoring, I suggest you put this into your diary, calendar, your phone or write it on your wall. This is the one event you will not want to miss!

The festival we have planned for you is not *"just another rally"*, not even a variation of the traditional rally. If you have been to Cooly Rocks, Chrysler's on the Murray, Golden Oldies Tours or Bay to Birdwood you will know there is more than one way to skin a cat. We are turning tradition on its ear; we are giving you something new, fresh, family-fun and affordable. We will showcase the fantastic motoring roads, scenery and attractions Albury-Wodonga districts on the Murray have to offer and, more importantly, we will have fun!

We have started with a clean slate. Most of the committee putting together this Festival have never organised a national event. We have no preconceived ideas of what should or shouldn't or can or can't be done. We have the attitude of, *"Why can't it be done!"* We will deliver to you, a festival you will not want to miss!

We know John does not wish to cover the same ground in his 1908 Renault as I will cover in my 1970 Morgan yet both are eligible. We need to cater for both vehicles to make it enjoyable for the drivers and passengers, therefore there will be shorter and longer routes available.

We start from the same location each day. The SS&A Club in Albury (The Albury Sailors Soldiers & Airmen's Club Limited) is our base for the festival. SS&A Club will open their outdoor dining area each morning and have barista-trained staff to provide coffees, etc. for purchase before you hit the road. They will also have a daily BBQ breakfast special, e.g. 2 egg and bacon rolls for the price of 1, with any coffee purchase.

Like the ages of our cars we have a wide range of age in entrants and passengers. Lets be honest, the type of entertainment which keeps me enthused is going to be quite different to what many others may enjoy. The layout of the SS&A Club lends itself perfectly to having a variety of entertainment, activities, bars and food every night.

This is an international event. Most of us have friends overseas involved in the old car movement. Tell them about the Festival. Convince them to come along. Make it easy for them; lend them one of your spare vehicles. We already have attendees from Singapore. It will be great to welcome entrants from several other countries also.

**Please email our flyer to anybody who may be interested. Email it to your friends overseas also.**

**LET THE FESTIVAL BEGIN!!**
